

## Auto-Tithing with Wells Fargo

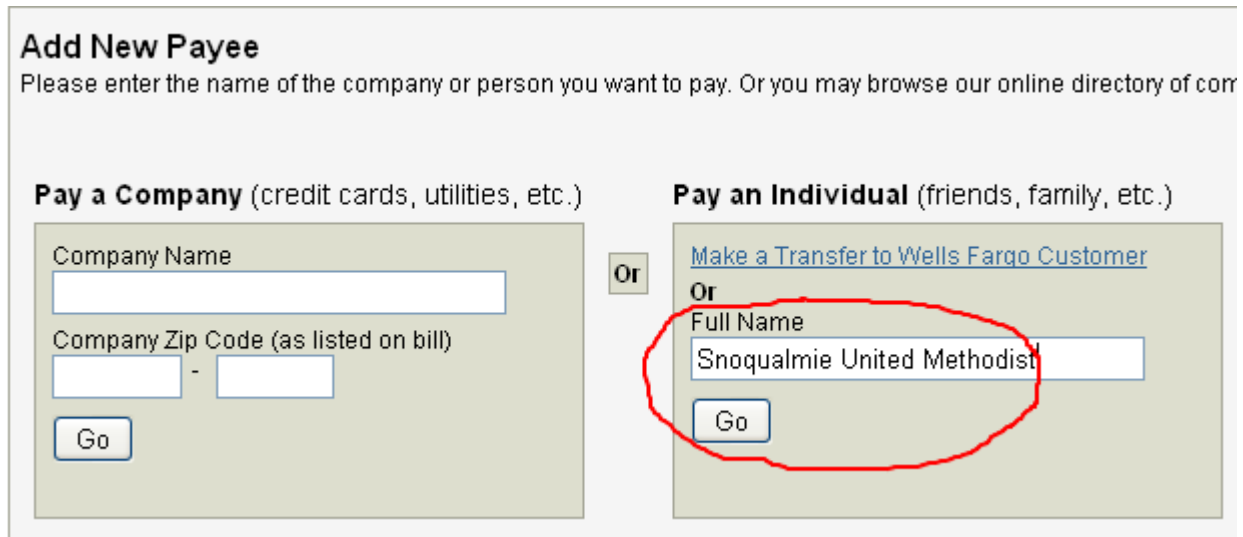

Hello Friends. Do you ever think to yourself **“I know I’m supposed to be giving more but I’m having trouble executing that feeling every week.”** One way to proactively deal with this is to include your Church in your **auto-bill pay**. If you bank with any of the large National banks you can use their website to submit your Tithes. This month, let’s take a look at how to do this if Wells Fargo is your bank.

First, you have to sign up for online banking. If you have not done so, bring your checkbook to your branch and they’ll help you get that set up.

Now, when you log in, click on the **“Bill Pay”** button at the top left.

This will bring you to the Bill Pay screen. Look for the **“Add New Payee”** section of the screen and fill it out like so.

A screenshot of the 'Add New Payee' form on the Wells Fargo website. The form has two main sections: 'Pay a Company (credit cards, utilities, etc.)' and 'Pay an Individual (friends, family, etc.)'. The 'Pay a Company' section has fields for 'Company Name' and 'Company Zip Code (as listed on bill)' with a 'Go' button. The 'Pay an Individual' section has a link 'Make a Transfer to Wells Fargo Customer', a radio button 'Or', and a 'Full Name' field containing 'Snoqualmie United Methodist' with a 'Go' button. The entire 'Pay an Individual' section is circled in red.

This just gets you to the screen you really care about, which is where you will fill out the information for SUMC.

Here’s what the screen should look like when you’re done.

This is the satisfying part. Fill out the information like so, and **don't forget to use P.O. Box 458 as the address!**

Payee: Snoqualmie United Methodist

Nickname: SUMC

Address: PO BOX 458

City: Snoqualmie

State: Washington

Zip Code: 98065

Phone: 425-888-1697

No account number.

Name: Your Name Here

In the "Payment Details" section, choose **"Automatic Payment"**

On the next screen you choose how much and how often you want to Tithe. This is between you and God of course. If you get a regular paycheck it makes sense to schedule the auto-tithe to happen a day or two after payday. When you are done, press the Save button, review your final changes and then press "Make Payment."

The last screen will (hopefully) display a confirmation of what you entered. Now you can just relax and let go. You don't have to worry every month about making it right between you and the book keepers! It's a done deal! I have found that by doing this it gives me a great feeling of freedom!
